### Article 2

The research institute shall be under the direct supervision of the Ministry of Metallurgy and Ore Mining.

#### Article 3

The organizational structure, functions, and activity of the research institute shall be subject to regulations issued by the Minister of Metallurgy and Ore Mining. Said regulations must be confirmed by the director of the Central Office for Research and Technology, under the State Planning Cosmission.

## Article 4

The Minister of Metallurgy and Ore Mining, in concurrence with the director of the Central Office for Research and Technology, State Planning Commission, will appoint a research council. The composition and functions of this council will be set forth in the regulations governing the research institute.

#### Article 5

The organizational structure and table of organization of the research institute will be set up and confirmed in accordance with Articles 3 and 4 of the Order of 12 July 1951 Pertaining to Regulations Governing the System of Setting Up Tables of Organization (Gesetzblatt /Legal Gazette/, p 689).

## Article 6

In the GDR budget, the funds to be placed at the disposal of the research institute will be included in the estimated allocations to the Ministry of Metallurgy and Ore Mining.

## Article 7

This law shall become effective on the date of its promulgation.
